YWCA IS ON A MISSION

To:

eliminate racism, empower women,
stand up for social justice, help families, and
strengthen communities

We create real change. Every day.

ADVOCACY & SOCIAL JUSTICE

The **Georgia Women's Policy Institute (GWPI)** is a signature year-long advocacy training that teaches women from diverse backgrounds how to develop and support real-world statewide policies that impact women and families in Georgia.

EDUCATION & EMPOWERMENT

The **Early Learning Academy (ELA)** offers a safe and nurturing educational experience to children six weeks through five years.

Teen Girls in Technology (TGI Tech) is a multi-year educational and experiential learning program that exposes middle and high school girls from Title I public schools to careers in STEAM (Science, Technology, Engineering, Arts/Design, and Math) professions.

HEALTH & SAFETY

The **ENCOREplus** program provides breast cancer education, awareness, and free mammograms to underserved and uninsured women in the greater Atlanta area.

SALUTE

Each Spring at *Salute*, we honor several extraordinary women in Atlanta who embody the YWCA's mission and are making a difference in their community. *Salute* is not only a signature event, it is a building block for YWCA, helping us raise funds necessary to support programs, increase visibility, and expand our reach to help more people.

CONVERSATIONS

YWCA of Greater Atlanta hosted its first citywide forum on race and gender in 2014. In its 6th year, this forum creates a safe space for Atlanta residents from all sectors of society to have honest dialogue about the interconnectedness of race and gender and to discuss how inclusivity strengthens our community.
